**LETTER OF SUPPORT ON THE ESTABLISHMENT
OF THE MEXICAN SPACE AGENCY**

It is my pleasure to refer to the matter above.

Firstly please accept my initial congratulations to your team on the approval of the initiative law for the creation of the Mexican Space Agency (Agencia Espacial Mexicana). I would also like to wish your team successful follow-up actions for the creation of the said organization.

I believe that the creation of a Mexican Space Agency would bring enormous benefits to the people of Mexico and to other friendly countries. I further believe that the realisation of this project would make it possible for your country to join the international cooperation on peaceful uses of outer space.

On behalf of our Agency therefore, I would like to express our full support to the establishment of the Mexican Space Agency.

Yours sincerely,

MUSTAFA DIN BIN SUBARI
Director General
